PLEASE NOTIFY THE ASSOCIATION OF ANY CHANGE IN YOUR ADDRESS

requirements = opportunities

- Jobseekers need to take responsibility
- We can help
- Assisting job seekers to do it themselves can reduce how much you have to do
- Incentives and information flows
- Everyone wins

My Jobseeker – dashboard view on AJS today

The screenshot displays the 'My Jobseeker' dashboard on the Australian JobSearch website. The user is identified as Lindy, with a welcome message and a notification about a resume builder. The dashboard features a search history summary for 13/05/2014, showing 1248 new results. Below this, there are sections for 'jobs that may interest you', 'Favourite searches', 'Favourite jobs', and 'Applied jobs'. A sidebar on the left provides navigation options such as 'Messages', 'My details', and 'Employment Partner Plan'. At the bottom, there are statistics for job seekers and links for 'Need Assistance with JobSearch?' and 'Australian Government Services'.

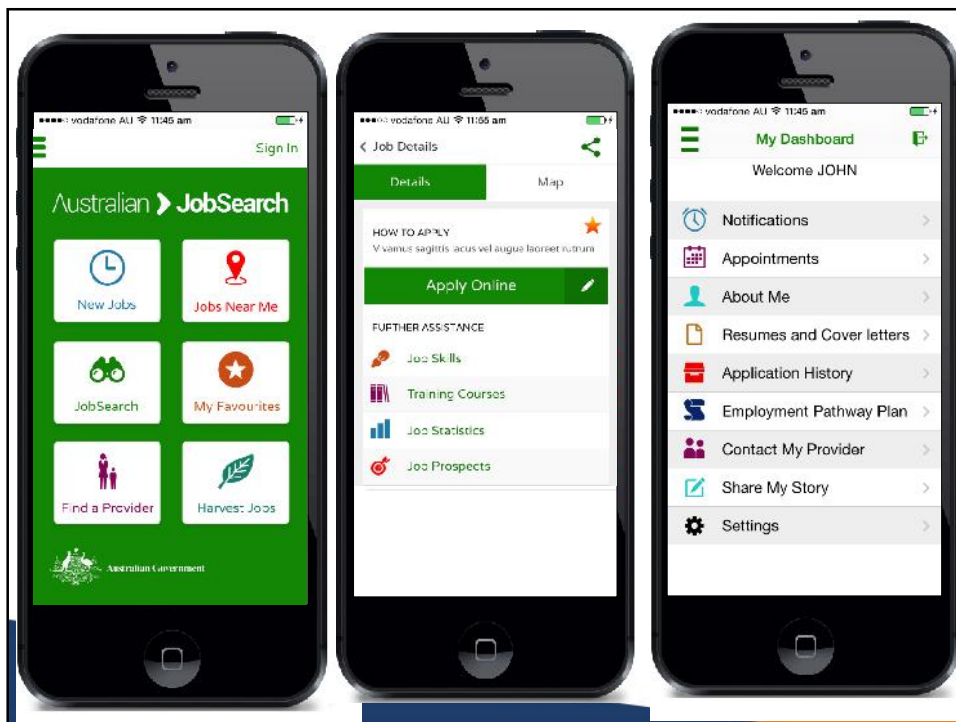

Jobseeker self-service

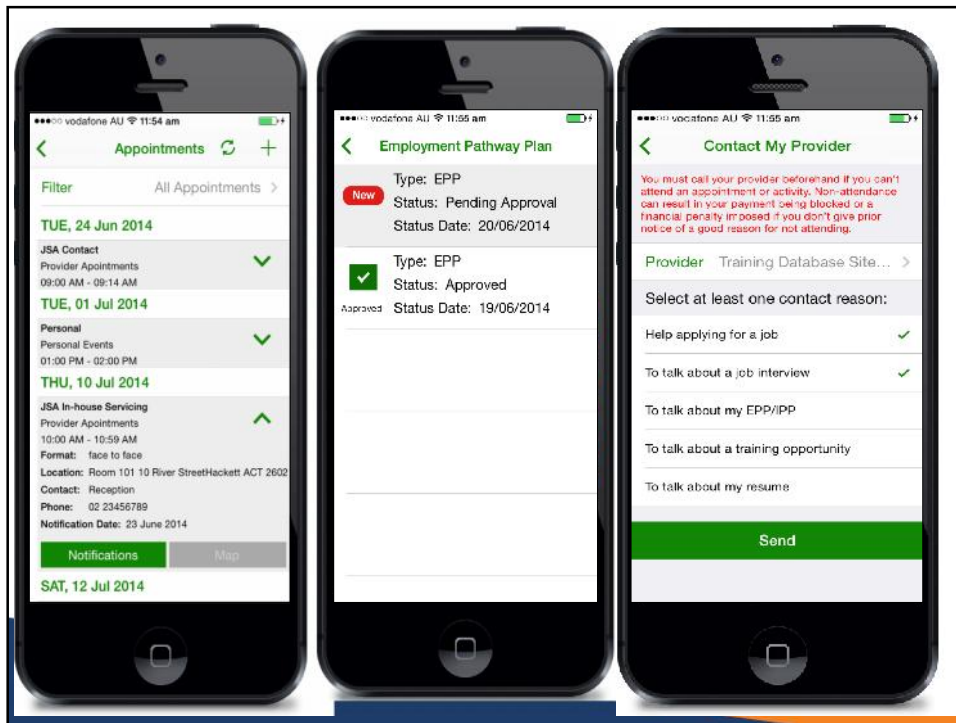

- Track my job search*, record progress
- [Book my own appointments with my consultant](#)
- Agree my plan *
- Save my searches *
- Context-based smart reminders
- Capture my evidence
- See my calendar *

* Functionality already released

Jobseeker self service

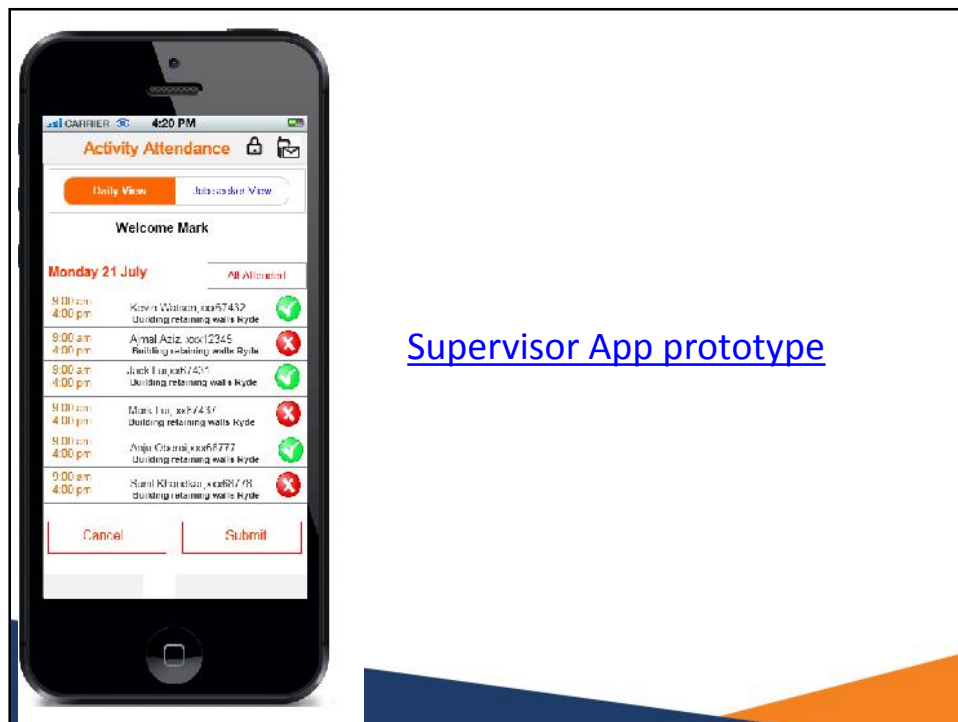

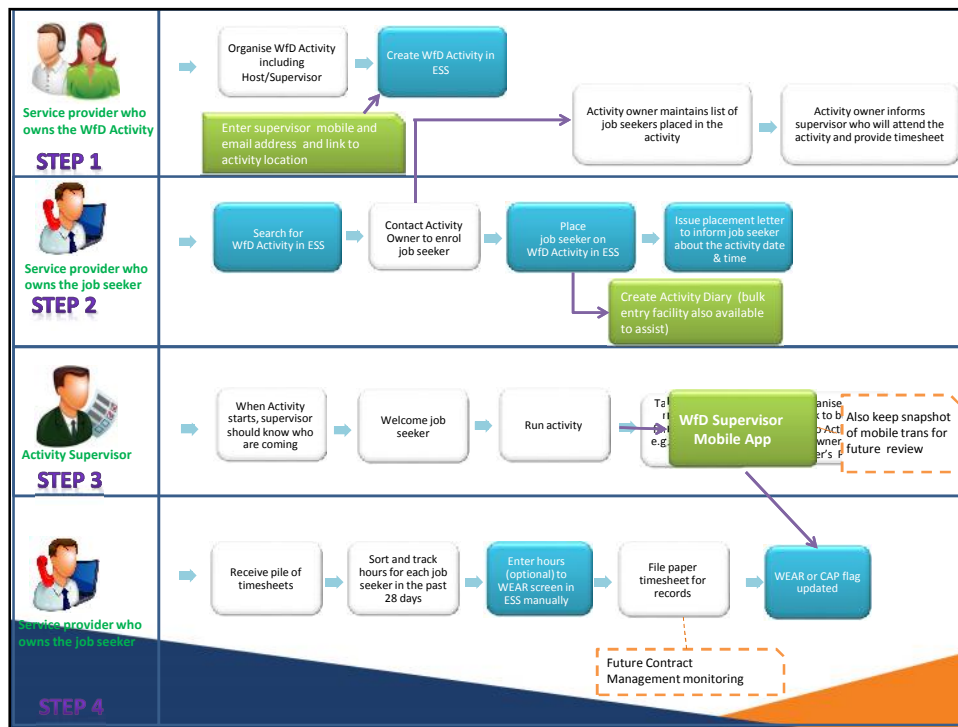

- Access to labour market information, jobseekers like me
- Communications with consultant
(help; I've got an interview; etc.)

Better flow of information

- Access to job seeker search activity
- Off-site jobseeker plan updates
- Job seeker calendar updates
- Visibility of WfD activity schedule
- WfD Supervisor auto timesheets

Building an Ecosystem

- Employers
 - Lodge a job with you themselves
 - Track interest in vacancies
 - Easy contact
 - What else?
- Linking job seekers to help each other
- Access to more vacancies and LM intelligence
- Blurring the product boundaries

What changes for you?

- Browserise ESS (like RJCP but completely different)
- The plan drives activities
- Bring BI to bear in the business process
- Diary has to change
- Single employer record
- WfD vacancies and placements
- Employer management functions

My Jobseeker – contacts, activity, plan, calendar

The screenshot shows the 'My Jobseeker' dashboard for Stephen Moore. Key features include:

- User Profile:** Stephen Moore, ID: 888888888, 13 Mackay Road, Orange NSW 2800.
- Job Search Progress:** A donut chart showing 3 interviews, 2 offers, and 0 appointments. A '50% COMPLETED' progress indicator is also shown.
- Jobs Applied:** A list of applications including 'MOORE & US', 'MR ALEX ROBERTS', and 'HORWOOD & US'.
- Jobs Viewed:** A list of viewed jobs from 'APPL' and 'APPL'.
- Calendar:** A monthly calendar for August 2015 with a 'NEXT APPOINTMENT: 28 AUGUST 2015' highlighted.
- Notifications:** A list of messages and alerts, such as 'Phone msg! Stephen will be in...' and 'Interview on 18 August (Book # 10)'.

My caseload – actions, performance, local labour market, kittens????

The screenshot shows the 'Case Manager Dashboard' for the Australian Government. Key features include:

- Case Manager Dashboard:** Overview of caseload and performance metrics.
- My Caseload:** A pie chart showing the distribution of caseload by status (Cum, Ref, End, Suspend).
- My Appointments:** A table listing appointments for the month of August 2014, including details like '9:00 Moore (INT)', '9:15 Staker (INT)', '10:30 Su (INT)', '11:30 Polson (CONT)', and '2:00 Parker (INT)'. A calendar grid shows the frequency of appointments.
- Placement Tracker:** A bar chart showing 'Employment - weeks since placement' across different time intervals (0-4, 5-8, 9-12, 13-16, 17-20, 21-24, 25+).
- My Noticeboard:** A list of notifications and updates, such as 'Ins and Outs', 'Job Placements (new, 13 and 26)', and 'Allowance/Participation Changes'.
- My Trends:** A line graph showing trends for 'Emp Referrals and Placements', 'Placements to Outcome', 'Interview Attendance', 'PhUp Uplifted', 'Referral to Commencement', and 'Commencement to Job Placement'.
- Employment News:** A section with news articles, including 'Unemployment rate remains steady in April'.
- End Jobs:** A section for managing job listings, including 'Job title: SS', 'Agency: ACTIR', and 'Location: Labours'.
- Tweets:** A social media feed showing tweets from 'ES Learning Centre' and 'RUCP website'.

Red Tape

- Simplified claims – no more JRRs
- Job seeker check in for appointments
- Online plan agreement
- Job search reporting management
- Search multiple job boards
- Use any device or operating system

Application History

Below is a list of the jobs you have applied for directly on Australian JobSearch or recorded separately to include as part of your Application History.

Jobs applied for on Australian JobSearch includes any jobs applied for via Application Tracker (Apply Online) or by using the Email Contact Directly button when viewing a job.

Record your efforts to find work outside of Australian JobSearch by using the 'Add Other Application Information' button.

Download and print your Application History or click the 'Email Application History' button to email the details as an attachment.
